

# | WORKPLACE DECONTAMINATION SERVICES |

## | WE ARE HERE TO RESTORE THE SAFETY OF YOUR WORKSPACES |

ETIC understands that efficient and effective decontamination is crucial to restoring your workspaces and protecting your staff as they return to occupying your workplace facilities. ETIC's team of 40-hour HAZWOPER and pathogen mitigation-trained staff is experienced in decontaminating office buildings, production facilities, utility facilities, commercial spaces and warehouses of biological hazards for worker safety.

**Work Safe**  **Live Safe**
